

Kings Park Neighbors Association

April 4, 2007

Dear Neighbor,

We hope this letter finds everyone well. We hope by working together we will see strides in the cleanup and ultimate reuse of the Psychiatric Center property.

As you know, KPNA remains committed to working towards the cleanup and ultimate reuse of the KPNC. It is our strong belief that the State must pay for the clean up of this property and that this property remain park due to not only environmental reasons, but also the enormous tax benefits our community receives on state owned property. The redevelopment of the new Nissequogue River State Park should ultimately be consistent with recreation and conservation and have only a positive impact on our community.

Please note that we are having a meeting on April 10th at 7:15 PM at the RJO Intermediate School cafeteria, 99 Old Dock Road. Our guest speaker will be Congressman Tim Bishop, 1st District of New York. Congressman Bishop will be discussing recent developments in Washington and a question and answer session will follow.

As we do at every meeting, we will be accepting donations for a local charity. During this meeting we will be accepting donations for THE SUFFOLK COUNTY COALITION AGAINST DOMESTIC VIOLENCE, an organization dedicated to providing safety and support to family violence victims. Items such as diapers, pacifiers, bibs, coloring books and crayons, tooth brushes, shampoo, combs, etc. will go a long way in helping our neighbors who find themselves in need of safe, emergency shelter. The Coalition also runs a 24 hour 7 day a week hotline, 631 666-8833.

We would like to thank you for your support this last year and ask for your continued support. Attached, please find a renewal membership form. Your support is essential because only by working together can we continue to ensure that our community remains a wonderful place to live. We look forward to seeing you on the 10th.

Best Regards,

Linda Henninger
KPNA President
