

Kings Park Neighbors 'Association

May 2004

Dear Neighbor,

We would like to take this opportunity to thank you for your membership. We are excited to say that Kings Park Neighbors' Association is growing at a steady pace. We were pleased to see the large turnout at our first community meeting. Senator John Flanagan made himself available to discuss many of the important issues facing our communities.

Our organization has been very busy, attending each charrette, covering school board, zoning, railroad and library meetings. We believe it is extremely important to keep abreast of the matters that will affect our families.

In this regard, we have invited Town Supervisor, Patrick Vecchio to speak at our next meeting on June 15th. We will again meet in the RJO cafeteria at 7:30 pm. We look forward to seeing you and discussing the issues that are important to all of us.

Once again, thank you for your membership and see you on the 15th.

Best Regards,

Linda Henninger, Director
