

## Kings Park Neighbors' Association

December 2008

Dear Neighbor,

We hope this letter finds you well. The Board of Directors of Kings Park Neighbors has recently met and made the decision to suspend the collection of membership dues. This decision was based upon several factors, including the recent changes in the economy, coupled with the upcoming holidays and the pressing need of many humanitarian charities, both local and nationwide, for the coming year.

We thank you for your support and we will continue to monitor the issues surrounding the former Kings Park Psychiatric Center and the St. Johnland expansion.

We wish you a safe, happy and healthy New Year.

Warm Regards,  
Kings Park Neighbors' Association  
Board of Directors
